Consultations: Please feel free to come in and view our selection of items on the floor or on-line. As items can be out of the store when you are making your decisions, this guide will help you determine the look you are seeking. We are open 5 days a week, Monday – Friday 8am – 4pm.

Reservations: Reservations for your event should be made as early as possible, as key weekends book up fast. A 20% non-refundable, deposit will be required at the time of the reservation to hold your order.

Payment: Wedding items are rented on a per event basis. The remainder of payment, delivery and security deposit must be paid in full 7 days prior to delivery. No credit will be given for unused equipment. You are paying for time-out, not time used.

Security Deposit: A security deposit is required for the rented merchandise. All items are carefully wrapped for transport and need to come back to our store in the same condition. All damage is your responsibility, including acts of nature at outdoor weddings. We prefer to deliver the items directly to your site, thus guaranteeing no scratches or dents. We highly suggest the client obtain wedding event insurance, available through several on-line websites.

Delivery: We deliver to all Churches, Private Homes, Parks and Public Places. Equipment will be delivered to the front door or first floor. At pick-up, chairs need to be stacked on racks and tables taken down. Linens need to be shaken and placed in the canvas bags provided. Items returned by you are expected back at preset time and day. Items not returned on time will be assessed further rent.
